Situation:

1. Today is 1 Jun 04. You are the first sergeant of Company D, 4th Battalion, 70th Armor which is part of the 1st Brigade, 7th Armored Division at Fort Sand, Texas 79999-5000. Your company commander is CPT John W. Hardcharger. SSG James L. Smith, 455-74-8530, a tank commander in your company, will transfer to a new unit effective 17 Sep 04.

2. SSG Smith joined your unit on 12 Sep 01. In addition to earning "Superior" qualification ratings on each of three tank gunnery qualifications, SSG Smith led his crew to excel in the recent NTC rotation and a live-fire demonstration (for the Secretary of the Army's visit). Due to his leadership, his crew's average APFT score is 285. He reorganized the company's tank gunnery program, which resulted in the unit receiving the highest aggregate score in the division on the last tank gunnery. SSG Smith's previous awards are one Army Commendation Medal (ARCOM) and one Army Achievement Medal (AAM).

3. SSG Smith's platoon sergeant, SFC Iam A. Student wishes to recommend SSG Smith for award of an Army Commendation Medal (ARCOM) for his meritorious service. You want to make this presentation at the Aug 04 awards presentation. Your commander also considers SSG Smith an outstanding NCO and recommends approval.

Requirement:

Complete SFC Student's DA Form 638 for SSG Smith's award using the situation. Try not to use the reference. Do not complete block 21 of the DA 638; the battalion has a standard citation for this block. Compare your answer with the solution on pp C-8 and C-9.

1-1. Purpose

This regulation prescribes Army policy, criteria, and administrative instructions concerning individual military awards. Information on various civilian awards is found in AR 672-20. The goal of the total Army awards program is to foster mission accomplishment by recognizing excellence of both military and civilian members of the force and motivating them to high levels of performance and service.

1-12. Objective and implementation

a. The objective of the DA Military Awards Program is to provide tangible recognition for acts of valor, exceptional service or achievement, special skills or qualifications, and acts of heroism not involving actual combat.

b. Implementation of the provisions of this regulation is a command responsibility. Administrative procedures will ensure the prompt recognition of deserving [S]oldiers.

1-13. Categories of individual awards

Individual awards are grouped into the following categories: Decorations, Good Conduct Medal, service medals, service ribbons, badges and tabs, and certificates and letters.

1-14. Time limitation

a. Except as indicated below, each recommendation for an award of a military decoration must be entered administratively into military channels within 2 years of the act, achievement, or service to be honored. (See para 1-15 for lost recommendations.)

b. To be fully effective, an award must be timely. Undue delay in submitting a recommendation may preclude its consideration. It is highly desirable that a recommendation be placed in military channels and acted upon as quickly as possible. If circumstances preclude submission of a completely documented recommendation, it is best to submit it as soon as possible and note that additional data will be submitted later. However, to

ensure prompt recognition, interim awards should be considered and are encouraged as indicated in paragraph 1-19.

c. No military decoration, except the Purple Heart and as indicated in paragraphs d and e below, will be awarded more than 3 years after the act or period of service to be honor-ed. (See para 1-15 for lost recommendations.)

d. These time limitations do not apply to retroactive and conversion awards made in confirmation of recognition of previously issued orders, letters, or certificates or in ex-change of decorations hereinafter authorized.

e. In cases where it can be conclusively proven that formal submission of a recommendation for award was not made within the time limitations indicated in c above, because either the person recommending or the person being recommended was in a prisoner of war (POW), missing in action (MIA) or in a medically incapacitated status, award of the Silver Star or lesser decorations may be approved without regard to elapsed time since the act, achievement, or service occurred, that is to be honored.

f. Recommendations for award of U.S. Army decorations forwarded through command channels to Commander, PERSCOM, ATTN: TAPC-PDA, Alexandria VA 22332-0471, for final action will be initiated sufficiently in advance to arrive in PERSCOM not less than 60 days before the desired presentation date.

1-15. Lost recommendations

If the Secretary of the Army determines that a statement setting forth the distinguished act, achievement, or service, and a recommendation for official recognition was made and supported by sufficient evidence within 2 years after the distinguished service, and that no award was made because the statement was lost, or through inadvertence the recommendation was not acted upon; he or she may, within 2 years after the date of the determination, award

any appropriate military decoration, Numeral, or Oak Leaf Cluster in lieu thereof, to the person concerned (10 USC 3744). In each case, the proponent for an award provides the following to Commander, PERSCOM, ATTN: TAPC-PDA, Alexandria, VA 22332-0471:

- a. Conclusive evidence of the formal submission of the recommendation into military channels.
- b. Conclusive evidence of the loss of the recommendation or the failure to act on the recommendation through inadvertence.
- c. A copy of the original recommendation, or its substantive equivalent. As a minimum, the recommendation should be accompanied by statements, certificates, or affidavits corroborating the events or services involved. It is emphasized that the proponent must provide Commander, PERSCOM, ATTN: TAPC-PDA, Alexandria, VA 22332-0471, with adequate information for Secretarial evaluation of the deed or service to determine if an award is to be made. The person signing a reconstructed award recommendation must be identified clearly in terms of his or her official relationship to the intended recipient at the time of the act or during the period of service to be recognized.

1-16. Character of Service

a. Personal decorations. A medal will not be awarded or presented to any individual whose entire service subsequent to the time of the distinguished act, achievement, or service has not been honorable. The determination of "honorable" will be based on such honest and faithful service according the standards of conduct, courage, and duty required by law and customs of the service of a member of the grade to whom the standard is applied. Commanders will ensure that--

(1) Individuals on whom favorable personnel actions have been suspended neither are recommended for nor receive awards during the period of the suspension. Exceptions to the above are listed in AR

600-8-2, paragraph 1-14.

(2) Other-than-honorable service subsequent to submission of the recommendation for an award is promptly reported to the awards approving authority with a recommendation for appropriate action.

b. Waiver for overweight. As an exception to a(1) above, a [S]oldier who is flagged for over-weight may be recommended for and presented an award based on valor, heroism, or for length of service retirement. (See AR 600-8-2.)

c. Badges. A badge will not be awarded to any person who, subsequent to qualification therefore, has been dismissed, dishonorably discharged, or convicted of desertion by court-martial.

1-25. Announcement of awards

a. Decorations and the Good Conduct Medal.

(1) Awards made by the President, the Secretary of Defense, and the Secretary of the Army will be announced in DA General Orders.

(2) Awards of decorations and the Good Conduct Medal made by principal HQDA officials will be announced in permanent orders.

(3) Awards of decorations and the Good Conduct Medal made according to delegated authority will be announced in permanent orders by the commanders authorized to make the awards.

b. Service medals and service ribbons. Service medals and service ribbons are administratively awarded to individuals who meet the qualifying criteria. Orders are not required.

c. Badges. Permanent awards of badges, except basic marksmanship qualification badges, identification badges, and the Physical Fitness Badge will be announced in permanent orders by commanders authorized to make the award or permanent orders of HQDA.

1-31. Presentation of decorations

a. The Medal of Honor is usually presented to living awardees by the President of the United States at the White House. Posthumous presentation to the next of kin normally is made in Washington, DC, by the President or his personal representative.

b. Other U.S. military decorations will be presented with an appropriate air of formality and with fitting ceremony. FM 22-5 pre-scribes the ceremony for presentation of decorations at a formal review.

c. When deemed appropriate, commanders are encouraged to recognize both military and civilian members of their organization in mutual awards ceremonies as outlined in b above. These ceremonies should be conducted in an atmosphere of formality and dignity.

d. Foreign decorations will not be presented by members of the U.S. Army to designated recipients whether awardees or next of kin.

e. Conversion awards, service medals, and service ribbons usually are not presented with formal ceremony. However, such presentation may be made at the discretion of the local commander.

f. In the act of presentation, a decoration may be pinned on the clothing of the awardee whether in uniform or civilian clothing or on the next-of-kin in the case of a presentation following the recipient's death; however, this will not be construed as authority to wear the decoration for any person other than the individual honored. As an alternative to pinning the decoration, especially on next-of-kin, it may be handed to the recipient in an opened decoration container.

g. Whenever practical, badges will be presented to military personnel in a formal ceremony as provided in FM 3-21.5. Presentations should be made as promptly as practical following announcement of awards, and when possible, in the presence of the troops with whom the recipients were

serving at the time of the qualification.

h. Presentation of the Good Conduct Medal (GCM) to military personnel may be made at troop formations. (See FM 3-21.5.) Ceremonies will not be conducted to present the GCM to former military personnel or next of kin.

i. The Army Lapel Button will be formally presented at troop formations or other suitable ceremonies. The U.S. Army Retired Lapel Button will be presented at an appropriate ceremony prior to their departure for retirement. These buttons may be presented to a separating [S]oldier at the same time as the Good Conduct Medal and other approved decoration.

1-48. Manufacture and sale of decorations and appurtenances

AR 672-8 prescribes the Army policy governing the manufacture, sale, reproduction, possession, and wearing of military decorations, medals, badges, and insignia.

2-1. Objective

a. This chapter explains Department of Defense (DOD) policies and procedures on awarding Defense decorations and service awards; nonmilitary decorations; the acceptance of foreign military decorations by members of the Armed Forces of the United States; and the Office of Secretary of Defense Identification Badge. It describes the various Defense awards; the basis or eligibility requirements for the award; who is eligible to receive; and who is authorized to

approve the award. It tells how to prepare, submit, and process recommendations for DOD decorations.

b. The objective of the DOD Military Awards Program is to ensure members of the Armed Forces of the United States receive tangible recognition for acts of valor, exceptional service or achievement, and acts of heroism not involving actual combat. Processing and approval of DOD awards are made in the name of the Secretary of Defense.

2-2. Order of precedence

DOD awards are categorized as U.S. military decorations and service medals and service ribbons. The order of precedence for wear of these awards is stated in AR 670-1, paragraph 28-6 and in paragraphs 1-40 and 1-41 of this regulation.

3-1. Intent

a. U.S. Army military decorations are awarded in recognition of heroism, meritorious achievement, or meritorious service.

b. In peacetime, U.S. Army military decorations recognize achievements which have significantly contributed to the readiness or effectiveness of a unit or organization, or have made notable contributions to the morale or esprit de corps of units or organizations. Exceptional command or leadership of a crew, team, section, squad, or similar unit may be considered meritorious achievement or service. Recommendations for awards must be based on specific achievement.

c. The decision to award an individual a decoration and the decision as to which award is appropriate are both subjective decisions made by the commander having award approval authority. Awards for meritorious achievement or service will not be based upon the grade of the intended recipient. Rather, the award should reflect both the individual's level of responsibility and his or her manner of performance. The degree to which an individual's achievement

or service enhanced the readiness or effectiveness of his or her organization will be the predominant factor.

d. No individual is automatically entitled to an award upon departure from an assignment. Awards presented in conjunction with a permanent change of station will be limited to exceptional cases. Certificates of Achievement and Letters of Commendation or Appreciation are appropriate means to recognize departing personnel.

e. No preconditions for an award may be established such as, for example, when [S]oldiers are informed in advance that attainment of specific goals will result in the automatic award of a given decoration. Military decorations will not be used as prizes in contests.

f. Limiting awards to a specific number per unit is not authorized.

3-2. Decorations authorized and order of precedence

a. The U.S. Army decorations authorized and the order of precedence are as follows:

- (1) Medal of Honor.
- (2) Distinguished Service Cross.
- (3) Distinguished Service Medal.
- (4) Silver Star.
- (5) Legion of Merit.
- (6) Distinguished Flying Cross.
- (7) [S]oldier's Medal.
- (8) Bronze Star Medal.
- (9) Meritorious Service Medal.
- (10) Air Medal.
- (11) Army Commendation Medal.
- (12) Army Achievement Medal.

b. The above awards are outlined in table 3-1 at the end of the chapters.

3-3. Personnel eligible

Decorations are awarded primarily to military personnel for services performed while in active Federal military service, however, established criteria for some decorations authorizes awards to personnel in other categories. The following additional

instructions apply:

a. Reserve Components. The Secretary of the Army may award specific decorations to members of the Reserve Components of the Army not in active Federal service. This would be to recognize exceptionally meritorious service or singular acts of heroism or achievement directly related to performance of duty as a member of such Reserve Components. The Secretary may also at his or her discretion award an appropriate decoration during occasional periods of active military service. To qualify, these acts, achievements, or services must not be related directly to membership in the Reserve Component. They must clearly be of significant benefit to the mission accomplishment of the Army.

b. U.S. civilians. Specific decorations may be awarded to U.S. citizen civilian personnel who are determined to be "serving with" the U.S. Army in a combat zone. The Purple Heart, subject to the criteria in paragraph 2-8, can be awarded by the Secretary of the Army to civilians wounded or killed in international terrorists incidents.

c. Foreign military personnel. Specific decorations may be awarded to foreign personnel for acts or services deemed to be beneficial to the U.S. Government. (See AR 672-7(C).)

d. Deceased personnel. Awards of medals may be made following the death of the person being honored.

3-4. Peacetime award approval authority

a. Awards for peacetime service are made by the President, the Secretary of Defense, and the Secretary of the Army. When peacetime criteria apply, authority to award decorations is automatically delegated as shown in table 3-2 at the end of this chapter.

b. Approval authorities must be in command or serving as head of a principal HQDA agency. This authority may not be delegated to subordinate officials (that is, executive officer, chief of staff, deputy

commander, and so forth). In instances where the incumbent commander is not available to act on recommendations (hospitalization, extended temporary duty or leave) the acting commander, regardless of grade, may take final action provided an formal official assumption of command has taken place. In such cases the acting commander will sign documents using the title "Acting Commander. "

c. The delegation of military award approval authority to certain senior civilian leaders is governed by memorandum from the Administrative Assistant to the Secretary of the Army.

d. Commanders having authority to approve an award may delegate disapproval authority to their immediate subordinate commanders, provided those subordinate commanders have authority to approve the next lower award. This delegation must be in writing and should be accomplished with each change of command. Commanders reporting directly to HQ, PERSCOM and officials reporting directly to a principal HQDA agency are delegated disapproval authority for current recommendations for award of the Distinguished Flying Cross, [S]oldier's Medal, and Air Medal. Such commanders and HQDA officials may also disapprove service and other achievement award recommendations, provided they have authority to approve the next lower award. This disapproval authority includes awards for non-Army personnel.

e. The authority to disapprove a recommendation to award a general officer the Distinguished Service Medal rests solely with the Chief of Staff, Army and the Vice Chief of Staff, Army. This does not preclude a commander or head of principal Army agency from recommending disapproval of the Distinguished Service Medal for a general officer.

f. Award approval authority applies equally to Army element commanders in joint, unified and combined commands in accordance with the grade of the Army

element commander and applies only within the headquarters concerned for approval of Army awards to Army personnel assigned to that headquarters. If an individual is recommended for an award higher than the Army element commander may approve, the recommendation will be processed through joint command channels to the Commander, PERSCOM, ATTN: TAPC-PDA, 200 Stovall Street, Alexandria, VA 22332-0471, or to an intermediate joint headquarters in which the senior U.S. commander is a U.S. Army general officer with the requisite approval authority, for final action. In those cases where the Army element commander is not the senior United States commander in the headquarters, concurrence of that senior commander, regardless of branch of Armed Forces, will be obtained prior to approval of the award. Army awards approval authority does not apply within the Office of Secretary of Defense (OSD) or the Organization of the Joint Chiefs of Staff (OJCS) but does include Defense OJCS Activities. Where an Army element commander has not been formally designated, the senior Army general officer within the headquarters will exercise awards approval authority commensurate with his or her grade.

g. Major Army commanders and CONUS armies, with awards approval authority, are authorized to award applicable decorations to unit and nonunit Reserve Component personnel under their command in accordance with the authorized grade of the commanders concerned. For attached Individual Mobilization Augmentees (IMA) or nonunit Reserve personnel attached to U.S. Army Reserve or active Army units for active duty for training (ADT), active duty for special work (ADSW), inactive duty training (IDT), or in Active Guard Reserve (AGR) status, whose records are maintained by ARPERCEN, the unit of attachment will obtain concurrence from Commander, ARPERCEN, ATTN: DARP-MSR-I, St. Louis, MO 63132-5200, and any previous awards, proper oak leaf cluster, period of award, derogatory information, flagging

action and or other applicable information from personnel files. A copy of the permanent order granting the award will be provided the Commander, ARPERCEN, ATTN: DARP-RSR, for inclusion in the individual's OMPF.

h. State adjutants general and commanders of Army National Guard and U.S. Army Reserve commands may award applicable decorations to personnel under their command, including active component and full time AGR personnel performing full time duty under their command.

3-5. Wartime conditions award approval authority

a. The Medal of Honor is awarded only by the President. Other decorations are awarded by the President, the Secretary of Defense, and the Secretary of the Army. When wartime conditions erupt, authority to further delegate decorations approval authority will be requested from the Secretary of the Army. Initial delegation will be requested consistent with the award approval authority outlined in table 3-3, at the end of this chapter. Initial delegation authority is not absolute, but is provided for contingency planning purposes only. Delegation of awards approval authority will be reviewed at 30 day intervals after combat commences to determine if further delegation would be expedient and justified.

b. Chapter 12 contains additional mobilization instructions.

3-10. Legion of Merit

a. The Legion of Merit, section 1121, title 10, United States Code (10 USC 1121), was established by Act of Congress 20 July 1942.

b. The Legion of Merit is awarded to any member of the Armed Forces of the United States or a friendly foreign nation who has distinguished himself or herself by exceptionally meritorious conduct in the performance of outstanding services and achievements.

c. Criteria for members of the Armed

Forces of the United States are as follows:

(1) The performance must have been such as to merit recognition of key individuals for service rendered in a clearly exceptional manner. Performance of duties normal to the grade, branch, specialty, or assignment, and experience of an individual is not an adequate basis for this award.

(2) For service not related to actual war, the term "key individuals" applies to a narrower range of positions than in time of war and requires evidence of significant achievement. In peacetime, service should be in the nature of a special requirement or of an extremely difficult duty performed in an unprecedented and clearly exceptional manner. However, justification of the award may accrue by virtue of exceptionally meritorious service in a succession of important positions.

(3) Award will be made without reference to degree.

d. Criteria for member of Armed Forces of foreign nations is in AR 672-7(C).

3-14. Meritorious Service Medal

a. The Meritorious Service Medal was established by Executive Order 11448, 16 January 1969 as amended by Executive Order 12312, 2 July 1981.

b. The Meritorious Service Medal is awarded to any member of the Armed Forces of the United States or to any member of the Armed Forces of a friendly foreign nation who, while serving in a noncombat area after 16 January 1969, has distinguished himself or herself by outstanding meritorious achievement or service.

3-16. Army Commendation Medal

a. The Army Commendation Medal (ARCOM) was established by War Department Circular 377, 18 December 1945 (amended in DA General Orders 10, 31 March 1960).

b. The ARCOM is awarded to any member of the Armed Forces of the United States who, while serving in any capacity with the

Army after 6 December 1941, distinguishes himself or herself by heroism, meritorious achievement or meritorious service. Award may be made to a member of the Armed Forces of a friendly foreign nation who, after 1 June 1962, distinguishes himself or herself by an act of heroism, extraordinary achievement, or meritorious service which has been of mutual benefit to a friendly nation and the United States.

c. Awards of the ARCOM may be made for acts of valor performed under circumstances described above which are of lesser degree than required for award of the Bronze Star Medal. These acts may involve aerial flight.

d. An award of the ARCOM may be made for acts of noncombatant-related heroism which do not meet the requirements for an award of the [S]oldier's Medal.

e. The ARCOM will not be awarded to general officers.

f. Awards of the ARCOM may be made on letter application to Commander, ARPER-CEN, ATTN: DARP-VSE-A, 9700 Page Boulevard, St Louis, MO 63132-5200, to any individual commended after 6 December 1941 and before to 1 January 1946 in a letter, certificate, or order of commendation, as distinguished from letter of appreciation, signed by an officer in the grade or position of a major general or higher. Awards of the Army Commendation Ribbon and of the Commendation Ribbon with Metal Pendant were re-designated by DA General Orders 10, 31 March 1960, as awards of the Army Commendation Medal, without amendment of orders previously issued.

3-17. Army Achievement Medal

a. The Army Achievement Medal (AAM) was established by the Secretary of the Army, 10 April 1981.

b. The AAM is awarded to any member of the Armed Forces of the United States, or to any member of the Armed Forces of a friendly foreign nation, who while serving in

any capacity with the Army in a noncombat area on or after 1 August 1981, distinguished himself or herself by meritorious service or achievement of a lesser degree than required for award of the Army Commendation Medal.

c. The AAM will not be awarded to general officers.

3-18. Rules for processing DA Form 638, Recommendation for Award

a. The DA Form 638 will be used to initiate, process, and approve award recommendations of all U.S. Army individual decorations, to include valor and heroism decorations.

b. Statutory and regulatory time limits for processing valorous awards are in paragraphs 1-14 and 1-15.

c. Criteria for the various valor awards are as shown in this chapter under the respective decoration.

d. Approval authorities may make award decisions without referral to a local awards board. Awards boards are optional and are at the discretion of the approval authority.

e. Permanent award orders are an authorized part of the DA Form 638. Permanent award orders authority may be delegated to award approval authorities who would not normally publish permanent orders. This delegation should be in writing. Permanent orders filing will include a master set filed at the issuing headquarters; see AR 310-10, formats 700-705. Approved awards of the Medal of Honor, Distinguished Service Cross, and [S]oldier's Medal will be confirmed in Department of the Army General Orders.

f. Amendments, rescissions, or revocation of permanent award orders will be prepared on a separate order (See AR 310-10, formats 700 and 705 and paras 1-27 through 1-30 of this regulation).

g. Approval authorities for individual decorations are in tables 3-2 and 3-3 at the end of this chapter.

h. Commanders may disapprove the next higher award normally associated with their grade, provided such authority has been delegated to them. See specifics in note 2, table 3-2, at the end of this chapter. This delegation must be in writing.

i. Orders publication authority for awards may be delegated by Meritorious Service Medal approval authorities (MG and above) to commanders exercising lower award approval authority. Such delegation will allow those commanders (COL or LTC) with Army Commendation Medal or Army Achievement Medal approval authority to issue award orders once the award is approved. This is an exception to AR 310-10, paragraph 1-4. The documentation and control requirements in AR 310-10, paragraph 1-22, must be established by the commander before publishing award orders.

j. Each headquarters will have procedures established to ensure that every recommendation is processed with a minimum of delay. Recommendations requiring action by HQ, PERSCOM or higher authority should arrive no later than 60 days prior to the desired presentation date. All other recommendations should be approved or disapproved within command channels within 60 days of initiation.

k. When a recommendation contains classified information, the DA Form 638 and allied documents will bear a security classification and/or protective markings. The packet will be prepared, processed and protected according to AR 380-5. Proposed and approved citations will be prepared so as to contain no classified information.

l. A separate recommendation will be submitted for each proposed award of a decoration and only one proposed awardee will be named in a single recommendation.

m. The recommender will, to the extent possible, verify data on the DA Form 638 concerning the awardee from official Army personnel documents.

n. Recommendations will be submitted with original and three copies of all documents.

o. Premature disclosure of information to the public, or to the individual being recommended for an award is a potential source of embarrassment to recommending officials and should be strongly discouraged. Prior disclosure of approved awards should also be discouraged since it would diminish the impact of ceremonies when the award is ultimately presented.

p. Recommendations will be forwarded through command channels to the commander authorized to approve or disapprove it. Each intermediate commander/supervisor will recommend approval or disapproval, and cite specific reasons whenever disapproval is recommended.

q. Typing the recommendation is not required. Recommendations may be handwritten or handprinted, but must be clearly legible. Use only black ink for machine readability (copier, fax, or microfiche). If the form is typed, the limited resources of the PAC should not be used for this purpose.

r. Narrative description of meritorious service or achievement for awards of the MSM, ARCOM, and AAM will be limited to bullet format in the space allowed on the DA Form 638. Narratives are required for all other awards and will be added as an addendum to the recommendation. Narrative should be prepared on 8 1/2-by 11-inch bond paper and is limited to one page except for recommendations of the Distinguished Service Medal and above. Narratives for valor must contain a description of the following elements: terrain and weather of the area in which the action took place; enemy conditions, to include morale, proximity, firepower, casualties and situation prior to, during and after the act; the effect of the act on the enemy; the action of comrades in the immediate vicinity of the act and the degree of their participation in the act; if the act occurred in aerial flight, the type and position of the aircraft and the individual's crew position; the degree to which the act was voluntary;

the degree to which the act was outstanding and exceeded what was normally expected of the individual; all unusual circumstances; and overall effects or results of the act.

s. Heroism award recommendations will contain statements of eyewitnesses, preferably in the form of certificates, affidavits, or sworn statements; extracts from official records; sketches; maps; diagrams; photographs; and so forth, which support and amplify stated facts for the heroism award.

t. All Medal of Honor recommendations must be referred to HQ, PERSCOM for action, regardless of the recommendations by field and intermediate level commanders. Medal of Honor recommendations will be processed on a priority basis and will not be interrupted before they are referred to Cdr, PERSCOM (TAPC-PDA). Medal of Honor recommendations will be processed and controlled as "For Official Use Only" material. Premature disclosure of Medal of Honor action is not authorized. Medal of Honor recommendations will contain, when appropriate, the endorsement of the subordinate unified commander; commander, joint task force; unified or specified commander involved; and a recommendation from the JCS. After JCS recommendation is received, HQ, PERSCOM (TAPC-PDA) will continue the

final processing.

u. Properly constituted award recommendations will include the following:

(1) DA Form 638 (Recommendation for Award).

(2) Narrative justification as explained above.

(3) Proposed citation.

(4) Support documents. (Optional)

(5) Eyewitness statements in the form of certificates, affidavits, or sworn statements. (Optional for Silver Star and lesser awards.)

(6) Records extracts, sketches, maps, diagrams, and photographs which support and amplify the award of heroism. (Optional for Silver Star and lesser awards.)

(7) Recommendations from all intermediate level commanders.

v. If an award is approved, a copy of the approved award certificate, with the [S]oldier's social security number written at the top right hand corner, will be filed in the OMPF. Permanent order data will already exist on the original certificate in typed format in the lower left hand portion of the certificate. The DA Form 638 will be filed in the OMPF only in instances of disapproval or downgrade of the originally recommended award.

3-20. Rules for preparing Army award certificates

a. Proposed certificate citations submitted to HQ, PERSCOM (TAPC-PDA) for approval of heroism awards ([S]oldier's

Medal and higher), and for the Distinguished Service Medal will be typed double-spaced, not more than 12 characters per inch, on 8 1/2-by 11-inch paper, and may be continued on one double-spaced

typewritten page. Do not submit actual certificates to HQ, PERSCOM.

b. Certificate citations for the Legion of Merit, Bronze Star Medal, Air Medal with "V" Device and Army Commendation Medal with "V" Device are limited to a maximum of nine lines, 12 characters per inch.

c. Certificate citations for the Meritorious Service Medal, Army Commendation Medal and Army Achievement Medal are limited to a maximum of four lines, except retirement awards which may be six lines in length.

d. In view of the inherent historical value of the award certificate and the acts or service it represents, it is imperative that it be prepared with care so that its appearance is professional and dignified. Certificates should include a brief descriptive narrative and should not be so brief as to distract from its meaning, and should be prepared on a letter quality printer or equivalent.

e. Effective 4 March 1993, certificates for award of the Meritorious Service Medal, Army Commendation Medal, and Army Achievement Medal will no longer require the overprinted signature of the Secretary of the Army. Certificates for award of the Legion of Merit and above and all wartime decorations will continue to be issued with the overprinted signature of the Secretary of the Army.

4-1. Intent

The Army Good Conduct Medal (AGCM) was established by Executive Order 8809, 28 June 1941 and was amended by Executive Order 9323, 1943 and by Executive Order 10444, 10 April 1953. It is awarded for exemplary behavior, efficiency, and fidelity in active Federal military service. It is awarded on a selective basis to each [S]oldier who distinguishes himself or herself from among his or her fellow [S]oldiers by their exemplary conduct, efficiency, and fidelity throughout a specified period of continuous enlisted active Federal military service, as outlined in this chapter. There is no right or entitlement to the medal until the immediate commander has

approved the award and the award has been announced in permanent orders. See glossary for definition of "active Federal military service."

4-2. Personnel eligible

a. Active Component enlisted [S]oldiers.

b. Active Guard Reserve (AGR) enlisted personnel serving on extended periods of active duty (other than for training) under title 10, USC are eligible for award of the AGCM for qualifying service beginning on or after 1 September 1982, provided no period of the service has been duplicated by the same period of service for which the [S]oldier has been awarded the Army Reserve Components Achievement Medal.

c. Retroactively to eligible Army of the United States (AUS) enlisted personnel.

d. Other Army enlisted personnel as may be directed by the Secretary of the Army.

4-3. Award approval authority

Unit commanders are authorized to award the AGCM to enlisted personnel serving under their command jurisdiction who meet the established criteria. Send requests for award of the AGCM for former [S]oldiers to the Commander, ARPERCEN, ATTN: DARP-PAS-EAW, 9700 Page Boulevard, St. Louis, MO 63132-5200. Requests for award of the AGCM for Army National Guard and Army Reserve members for periods of active duty based on qualifying prior active Federal military service (Regular Army and AUS) will be forwarded through normal command channels to the Commander, ARPERCEN, ATTN: DARP-PAS-EAW, 9700 Page Boulevard, St. Louis, MO 63132-5200. Separation transfer points will review the records of enlisted personnel being separated to determine whether they qualify for the AGCM. Where possible, make a reasonable effort to contact the unit commander before awarding the medal to qualified members.

4-4. Basis for approval

The immediate unit commander's decision

to award the AGCM will be based on his or her personal knowledge and of the individual's official records for periods of service under previous commanders during the period for which the award is to be made. The lack of official disqualifying comment by such previous commanders qualifies the use of such period toward the award by current commander.

4-5. Qualifying periods of service

Any one of the following periods of continuous enlisted active Federal military service qualifies for award of the AGCM or of a AGCM Clasp (para 4-9) in conjunction with the criteria in para 4-6):

- a. Each 3 years completed on or after 27 August 1940.
- b. For first award only, 1 year served entirely during the period 7 December 1941 to 2 March 1946.
- c. For first award only, upon termination of service on or after 27 June 1950, of less than 3 years but more than 1 year.
- d. For first award only, upon termination of service, on or after 27 June 1950, of less than 1 year when final separation was by reason of physical disability incurred in line of duty.
- e. For first award only, for those individuals who died before completing 1 year of active Federal military service if the death occurred in the line of duty.

4-6. Character of service

Throughout a qualifying period, each enlisted [S]oldier must meet all of the following criteria for an award:

- a. The immediate commander evaluates the [S]oldier's character as above reproach.
- b. The record of service indicates that the [S]oldier has--
 - (1) Willingly complied with the demands of the military environment.
 - (2) Been loyal and obedient to their superiors.
 - (3) Faithfully supported the goals of their

organization and the Army.

(4) Conducted themselves in such an exemplary manner as to distinguish them from their fellow [S]oldiers.

c. While any record of nonjudicial punishment could be in conflict with recognizing the [S]oldier's service as exemplary, such record should not be viewed as automatically disqualifying. The commander analyzes the record, giving consideration to the nature of the infraction, the circumstances under which it occurred and when. Conviction by court-martial terminates a period of qualifying service; a new period begins following the completion of sentence imposed by court-martial.

d. In terms of job performance, the [S]oldier's efficiency must be evaluated and must meet all requirements and expectations for that [S]oldier's grade, MOS, and experience.

e. Individuals whose retention is not warrant-ed under standards prescribed in AR 604-10, paragraph 2-1, or for whom a bar to reenlistment has been approved under the provisions of AR 601-280, chapter 6 (specifically for the reasons enumerated in AR 601-280, paras 6-4a, b, and d), are not eligible for award of the AGCM.

4-7. Additional implementing instructions

a. Qualifying periods of service (para 4-5) must be continuous enlisted active Federal military service. When an interval in excess of 24 hours occurs between enlistments, that portion of service before to the interruption is not creditable toward an award.

b. Release from enlisted status for entry into service as a cadet or midshipman at any U.S. service academy, or discharge from enlisted status for immediate entry on active duty in an officer status is considered termination of service for awarding the AGCM. A minimum of 12 months enlisted service is required and must have been completed for first award of the AGCM;

otherwise, the full 3 years of qualifying enlisted service is required.

c. A qualified person scheduled for separation from active Federal military service should receive the award at his or her last duty station. Such award is authorized up to 30 days before the [S]oldier's departure en route to a separation processing installation in CONUS or overseas. Orders announcing such advance awards will indicate the closing date for the award prefixed with date of separation, on or about, as the response to the "Dates or period of service " lead line. Example: from 31 Oct 1977 to date of separation on or about 30 Oct 1980. For [S]oldiers who are granted terminal leave prior to retirement or ETS, orders awarding second and subsequent awards of the AGCM may be issued up to 90 days before retirement or ETS date.

d. An award made for any authorized period of less than 3 years must be for the total period of obligated active Federal military service. This applies to first award only, all other awards of the AGCM require 3 full years qualifying service.

e. Discharge under provisions of AR 635-200 for immediate (re)enlistment is not termination of service.

4-8. Disqualification for the Army Good Conduct Medal

a. Conviction by courts-martial terminates a period of qualifying service; a new period begins the following day after completion of the sentence imposed by the court-martial.

b. Individual whose retention is not warrant-

ed under standards prescribed in AR 604-10, paragraph 2-1, or for whom a bar to reenlistment has been approved under the provisions of AR 601-280, chapter 6 (specifically for the reasons enumerated in AR 601-280, paras 6-4a, b, and d), are not eligible for award of the AGCM.

c. In instances of disqualification as determined by the unit commander, the commander will prepare a statement of the rationale for his or her decision. This statement will include the period of disqualification and will be referred to the individual according to AR 600-37, paragraph 3-6. The unit commander will consider the affected individual's statement. If the commander's decision remains the same, the commander will forward his or her statement, the individual's statement, and his or her consideration for filing in the individual's DA Form 201 (Military Personnel Records Jacket) (MPRJ). The custodian of the MPRJ will forward these documents to Commander, U.S. Army Enlist-ed Records and Evaluation Center, Fort Benjamin Harrison, IN 46249-5301, for permanent filing in the individual's OMPF.

d. Disqualification for an award of the AGCM can occur at any time during a qualifying period (for example, when manner of performance or efficiency declines). The custodian of the MPRJ will establish the new "beginning date" for the [S]oldier's eligibility for award of the AGCM and indicate the date on the [S]oldier's DA Form 2-1 (Personnel Qualification Record, Part II). These procedures do not apply if [S]oldier is disqualified under the provisions of a and b above.

4-9. Subsequent awards and clasps

A clasp is authorized for wear on the AGCM to denote a second or subsequent award. Clasps authorized for second and subsequent award are in table 4-1.

4-10. Army Good Conduct Medal certificate policy

a. The DA Form 4950 (Good Conduct Medal Certificate) may be presented to enlisted [S]oldiers only on the following occasions:

(1) Concurrent with the first award of the AGCM earned on or after 1 January 1981.

(2) Concurrent with retirement on or after 1 January 1981.

b. When presented at retirement, the DA Form 4950 will reflect the last approved award of the AGCM earned by the [S]oldier before retirement. The number of the last earned will be centered immediately beneath the line "THE GOOD CONDUCT MEDAL;" for example, " Sixth Award." The period shown on the certificate will be the period cited in the last award earned by the [S]oldier.

c. The DA Form 4950 will not be presented for second or subsequent awards of the AGCM except as provided in (2) above.

d. DA Form 4950 is available from the U.S. Army Publications Distribution Center, ATTN: SFIS-APC-BD, 2800 Eastern Boulevard, Baltimore, MD 21220-2896.

4-11. Retroactive award

a. Retroactive award to enlisted personnel, and to officer personnel who qualified in an enlisted status, is authorized provided evidence is available to establish qualification. Where necessary, to correct conflicting or duplicate awards, previous general or permanent orders may be revoked and new orders published, citing this paragraph as authority.

b. Requests for retroactive awards to enlisted persons which cannot be processed due to lack of information will be forwarded to Commander, U.S. Army Enlisted Records and Evaluation Center, Fort Benjamin Harrison, IN 46249-5301, by the commander having command jurisdiction. Upon receipt of eligibility information from U.S. Army Enlisted Records and Evaluation Center

(USAEREC), the commander can take action to confirm retroactive award of the AGCM by publication of orders, or by informing the [S]oldier of findings of ineligibility.

4-12. Rules for processing Army Good Conduct Medal

a. Management of the AGCM is an automation assisted program for the Active Army.

b. The SIDPERS generated AGCM Suspense Roster (AAC-C24) provides commanders a list of tentative eligibles.

c. Periodic record screens and personnel audits may also be used to identify [S]oldiers who are potentially eligible for award of the AGCM.

d. Eligibility requirements for the AGCM are previously shown within this chapter.

e. Disapproval and disqualification processing for award of the AGCM are shown in this chapter and must be strictly adhered to, to protect the best interests of the [S]oldier and the Army alike.

4-13. Steps for processing award of the Army Good Conduct Medal

The steps for processing award of the Army Good Conduct Medal are in table 4-2.

5-1. Intent

Service (campaign) medals and service ribbons denote honorable performance of military duty within specified limited dates in specified geographical areas. With the exception of the Medal of Humane Action, the Armed Forces Reserve Medal, the NCO Professional Development Ribbon, the Army Service Ribbon, and the Army Reserve Components Overseas Training Ribbon, they are awarded

only for active Federal military service. Orders are not published for service medals, but they are annotated on records by the personnel officer. Award of U.S. Service Medals (Sec II) does not preclude award of Foreign and International Service Medals (Sec II, chap 9.) Refer to chapter 2 for DOD service medals and service ribbons.

5-2. Service medals and ribbons awarded by other U.S. Services

Service medals and ribbons awarded by other U.S. Services may be worn on the Army uniform except the Air Force Longevity Service Award Ribbon and Air Force and Navy Marksmanship ribbons. Service and training ribbons awarded by other U.S. Services will be worn after U.S. Army service and training ribbons and before foreign awards.

5-3. Army Reserve Components Overseas Training Ribbon

a. The Army Reserve Components Overseas Training Ribbon (ARCOTR) was established by the Secretary of the Army on 11 July 1984. It is awarded to members of the Reserve Components of the Army, (Army National Guard and U.S. Army Reserve), for successful completion of annual training (AT) or active duty for training (ADT) for a period not less than 10 consecutive duty days on foreign soil. ARNG and USAR [S]oldiers who accompany the RC unit (including unit cells) to which they are assigned or attached as full-time unit support (FTUS) during overseas training are also eligible for the award.

b. Effective 11 July 1984, all members of the ARNG and USAR are eligible for this award if they were active Reserve status members of the Army National Guard, U.S. Army Reserve (not on active duty in the Active Army), or AGR FTUS [S]oldiers at the time their unit underwent AT or ADT on foreign soil.

c. AGR personnel, not assigned to a TPU, are also eligible for award of the ARCOTR

provided they are ordered overseas specifically as advance party to, simultaneously with, or in support of mop-up operations of RC units training overseas. Ten consecutive days over-seas must be met. Other AGR members over-seas for any other reason are not eligible for the ARCOTR.

d. The ARCOTR may be awarded retro-actively to those personnel who successfully completed AT or ADT on foreign soil in a Reserve status prior to 11 July 1984 provided they have an active status as defined above on or after 11 July 1984.

e. [S]oldiers must be credited with completion of at least 10 consecutive duty days outside the 50 States, the District of Columbia and U.S. possessions and territories in the performance of duties in conjunction with Active Army, joint services, or Allied Forces. The day of departure counts; the day of return does not.

f. The ARCOTR is a training ribbon which does not conflict with service medals or decorations.

g. Numerals will be used to denote second and subsequent awards of the ARCOTR. (See chap 6.)

5-4. Overseas Service Ribbon

a. The Overseas Service Ribbon (OSR) was established by the Secretary of the Army on 10 April 1981. It is awarded to members of the U.S. Army for successful completion of overseas tours.

b. Effective 1 August 1981, all members of the Active Army, Army National Guard and Army Reserve in an active Reserve status are eligible for this award. The ribbon may be awarded retroactively to those personnel who were credited with a normal overseas tour completion

before 1 August 1981 provided they had an Active Army status as defined above on or after 1 August 1981.

c. [S]oldiers must be credited with a normal overseas tour completion according to AR 614-30. Service member who had overseas service with another branch of service (USN, USAF, or USMC), must be credited with a normal overseas tour completion by that service to qualify for award of the Army OSR.

d. The OSR will not be awarded for overseas service recognized with another U.S. service medal. For example, if a [S]oldier was credited with overseas tour completions per AR 614-30 for Alaska, Berlin, Germany, and also served in the Vietnam Conflict and the Persian Gulf War, he or she would be entitled to the Overseas Service Ribbon with numeral 2 (Alaska and Germany), Army of Occupation Medal (Berlin), Vietnam Service Medal, and Southwest Asia Service Medal.

e. Numerals will be used to denote second and subsequent awards of the OSR. (See chap 6.)

f. Posthumous award of the OSR. For first award of the OSR only, an individual may be posthumously awarded (on or after 1 Aug 81) the OSR before completion of the overseas tour, provided the [S]oldier's death is ruled "Line of duty-Yes."

5-5. Army Service Ribbon

a. The Army Service Ribbon (ASR) was established by the Secretary of the Army on 10 April 1981. It is awarded to members of the U.S. Army for successful completion of initial entry training.

b. Effective 1 August 1981, all members of the Active Army, Army National Guard, and U.S. Army Reserve in an active Reserve status are eligible for this award. The ribbon may be awarded retroactively to those personnel who completed the required training before 1 August 1981 provided they had an Active Army status as defined above on or after 1 August 1981.

c. Officers will be awarded this ribbon upon successful completion of their basic/ orientation or higher level course. For those officer personnel assigned a specialty, special skill identifier, or MOS based on civilian or other service acquired skills, this ribbon will be awarded upon honorable completion of 4 months active service.

d. Enlisted [S]oldiers will be awarded this ribbon upon successful completion of their initial MOS producing course. For those enlisted [S]oldiers assigned an MOS based on civilian or other service acquired skills, this ribbon will be awarded on honorable completion of 4 months active service.

e. Only one award of the ASR is authorized, regardless of whether a [S]oldier completes both officer and enlisted initial entry training.

f. For first award only, an individual may be posthumously awarded (on or after 1 Aug 81) the Army Service Ribbon prior to completion of the requisite training or time in service, provided the [S]oldier's death is ruled "Line of duty-Yes."

5-6. Noncommissioned Officer Professional Development Ribbon

a. Criteria. The NCO Professional Development Ribbon (NPDR) was established by the Secretary of the Army on 10 April 1981. It is awarded to members of Active Army, ARNG, and USAR [S]oldiers for successful completion of designated NCO professional development courses.

b. Description. The NPDR consist of the basic ribbon with numeral devices of 2, 3, or 4 which signify satisfactory completion of the respective levels of NCO professional development courses.

c. Policy.

(1) A change approved in February 1989 completely revamped the wear policy of numerals on ribbons and award suspension elements. Also, simultaneously TRADOC announced that the First Sergeant Course is not a recognized element of the NCO Professional Development Training System. Because of the impact of these two far-reaching policy changes, no grandfathering is allowed for Active Army or Reserve Component [S]oldiers concerning the wear of numerals on the NPDR. Only the numerals 2, 3, and 4 are authorized for wear on the ribbon.

(2) Numerals used in conjunction with this service ribbon are the same type as those used for subsequent awards of the Air Medal.

(3) Once a service member has been awarded the NPDR upon graduation from Primary Leadership Development Course (PLDC) or Primary Leadership Development Course-Reserve Component, subsequent appropriate numerals will be awarded to identify completion of higher level Noncommissioned Officers Education System (NCOES) or Reserve Component-NCOES courses.

(4) Senior NCOs selected by the U.S. Army Sergeants Major Academy (USASMA) who complete equivalent resident courses conducted by the other Services will wear the NPDR with numeral 4.

(5) [S]oldiers who have been authorized by their local commanders to attend local NCO courses or training conducted by the other Services and who qualify for or are awarded another Service's training ribbon will not wear the other Service's ribbons on the Army uniform.

(6) [S]oldiers who have attended NCO development courses, other than Senior Level, conducted by another Service while in the Army will not be granted Army course equivalency recognition.

(7) [S]oldiers must successfully complete one or more of the courses listed in c(9) below which are further described in AR 351-1, chapter 6. Graduates of NCO

Academy courses conducted prior to 1976 for the Active Army, and 1980 for Reserve Components, will be given credit for the Primary Level only.

(8) Acceptable evidence of graduation is a diploma, certificate, or a letter signed by an appropriate service school official.

(9) Effective 30 March 1989, a service member will be awarded the NCO Professional Development Ribbon with the numeral which identifies the highest level of NCOES or RC-NCOES successfully completed as follows--Bar Ribbon Device=Primary Level; 2=Basic Level; 3=Advanced Level; and 4=Senior Level.

d. Requirements for award. Effective 1 August 1981, all Active Army, Army National Guard and Army Reserve [S]oldiers in an active status are eligible for this award for satisfactory completion of the respective NCOES or RC-NCOES courses as follows:

(1) Primary level--Primary NCO Course, Combat Arms (PNCOC), Primary Leadership Course (PLC), Primary Technical Courses (Service School--PTC), and Primary Leadership Development Course (PLDC) for award of the basic ribbon.

(2) Basic level--Basic NCO Course, Combat Arms (BNCOC), Basic Technical Courses (Service School--BTC), and Basic NCO Course (CS/CSS-BNCOC) for award of numeral 2.

(3) Advanced level--Advanced NCO Courses (Service School--ANCOC) for award of numeral 3.

(4) Senior level--U.S. Army Sergeants Major Academy (USASMA) for award of numeral 4. (See para c(4) above.)

e. Special instructions. Special instructions for ARNG and USAR are as follows:

(1) Primary Level--Primary NCO Course, Combat Arms-Reserve Components (PNCOC-RC), and effective 1 October 1985 Primary Leadership Development Course-Reserve Components (PLDC-RC).

(2) Basic Level--Basic NCO Course-Reserve Components (CS/Css BNCOC-RC) through 30 September 1985 (PNCOC-RC and BNCOC-RC combined for CA/CS/CSS). Effective 1 October 1987 Basic NCO Course/ Reserve Components (CA, CS, CSS) as developed and implemented.

Foreign military personnel may also qualify for Army badges while attending U.S. Army service schools or while participating in combined or joint operations.

d. All other special skill badges may be earned by U.S. military personnel who qualify while performing honorable active duty or Reserve service in an active status or while formally assigned or attached to the U.S. Army.

e. In certain cases, civilian personnel may be awarded special skill badges provided specific criteria are met. Requests or recommendations for award of

special skill badges to civilians should be directed to designated approval authorities or Commander, PERS-COM, ATTN: TAPC-PDA, Alexandria, VA 22332-0471.

The grade, name, and branch, together with the place and dates of the act, achievement, or service of the recipient, will be inserted on the certificate in the appropriate spaces.

c. Issuance of prior awards. Any individual awarded U.S. military decorations to whom an appropriate certificate has not been issued may apply for such certificate by writing to the appropriate office indicated in paragraph 1-46, or through command channels to the headquarters currently having authority to award the decoration for which certificate is required. Each request should include a copy of the orders announcing the award.

d. Requisition procedures. Supply. (See para 1-44.)

10-7. Certificate of Achievement

Commanders may recognize periods of faithful service, acts, or achievements which do not meet the standards required for decorations by issuing to individual U.S. military personnel a DA Form 2442 (Certificate of Achievement) or a Certificate of Achievement of local design.

a. Certificates of Achievement will be issued under such regulations as the local commander may prescribe.

b. If a locally designed Certificate of Achievement is printed for use

according to this regulation, it may bear reproductions of insignia. In the interest of economy, the use of color will be held to a minimum.
