2. Reference. USFK FRAGO #05-17 (Curfew Modification), dated, 011335(I) Mar 05.
3. This order applies to members of the United States Armed Forces when in the territory of the Republic of Korea, which includes personnel on PCS, TDY, pass or leave status, except for military personnel attached to the U.S. Embassy and JUSMAG-K. Military family members, DoD civilians, and DoD-invited contractors/technical representatives and their respective family members and visiting guests are encouraged to abide by the curfew.
4. Unit commanders will ensure that all personnel under their control and their dependents, to include off-peninsula augmentees that support USFK training exercises, understand this order and that any violation by members of the U.S. Armed Forces may be punished. Commanders, O-6 and above, have the authority to impose further restrictions as deemed necessary in accordance with appropriate directives and regulations. The Assistant Chief of Staff, Acquisition Management, USFK, is responsible for informing DoD-invited contractors /technical representatives and their dependents about this order. Components are responsible for informing inbound units and individuals prior to traveling to participate in exercises, other training, or other temporary duty in Korea. During theater-level exercises, the Joint Reception Centers (JRC) (J1) will notify individual augmentees.
5. An off-installation curfew is in effect from 2400 until 0500 Sunday night through Friday morning and 0100 to 0500 on Saturday, Sunday, and US-observed holidays (US-observed holidays include US national holidays, USFK training holidays, and US-observed ROK holidays). During the hours of curfew, members of the U.S. Armed Forces must be either (1) on a military installation; (2) in a private residence; or (3) in their place of lodging for the evening, which may include a hotel room off the installation. Travel during curfew hours directly to and from a military installation is authorized for official duty, attendance at an on-installation activity, or to attend an installation-sponsored MWR/recreational event or activity. The first O-6 in the chain of command may authorize, in writing, exceptions to the curfew for the other off-installation events or activities.
